Preface

Career Development Centre of the university was founded in 2013. The aim of founding CDC was to create awareness, provide guidance and support our founding batch graduating in 2015 to be successfully placed as University was debuting in the realms of corporate placements.

CDC incorporated multi-pronged approach to prepare the students. Activities like career opportunities guidance, individual student profiling, resume building exercise, dossier check, dos and don'ts sessions and mentorships programs were introduced to create the awareness amongst the students. Various technical experts were invited and they gave a first-hand information. These sessions helped in setting up expectation of students and bridging the gap between the student and corporate life. CDC also organized industrial visit at various organizations for students for them to gain insight of the operational working of the organization.

CDC supported the founding batch in gaining internships at various organizations across the sectors. CDC recognises that internships gives practical skills, workplace experience and greater knowledge of the workplace. Keeping these aspects in mind, founding batch was enabled by CDC to gain internships in organizations like Siemens, EIL, L&T, HCL, Lanco Power, Nokia, Sonata Koyo, GAIL to name a few.

Students got their final placements in Cognizant, Aricent, DELL, Flipkart, VNL, Amazon, Flipkart, Tata Power, and Mitsubishi Elevators. Our students were invited for higher education at Arizona State University, Dartmouth, Boston University, NYU, Northwestern University, and Columbia University etc.

Preparatory Activities

CDC helps each student in exploring placement opportunities by inviting various companies for campus recruitment of students who are in the final year of the programme and are likely to graduate at the end of the academic year. Placements go through an extensive training program called the Campus Placement Preparation Module. It is a two-week program, which consists of an overall feedback, and a training program

Right from the beginning of the programme, students are continuously counselled with regard to his/her career aspirations and options, which in turn is vigorously followed up with the potential companies for participating in the placement programme of the Institute.

CPPM 2014-15

CPPM saw a series of preparatory activities from Aptitude Test Preparation to Domain refresher programs, industry visits and CAT Preparation Classes.

Details	Objective & Details
Campus prep module	Each Student from the Graduating Batch 2015
Events	Guest Lectures from Industry Experts
Events	IIT- Madras Outreach Program

Student Development Action Conducted

- ✓ Online Aptitude Test Preparation
- ✓ Resume Building
- ✓ GATE Aptitude test & guidance on preparation
- ✓ HR Round Preparation
- ✓ 360 degree and profile discussion
- ✓ Question Bank
- ✓ Documentation
- ✓ Mock Interviews and GD's
- ✓ GATE Sessions including Mock GATE Test

Internships

An Internship is a limited work experience opportunity for students to gain skills, knowledge, explore, and understand a work place besides adding value to their resume. Students get unique opportunity as an intern at corporations, research organizations, and social impact groups (NGO's) or local schools.

The internship programme is six weeks long. Through internships, students are immersed in experiential learning and contribute in meaningful ways to their particular organization placement.

Student Placement Report 2014-15

The year had 57 companies offering 268 jobs to 179 students enrolled for placements. The year saw recruiting organizations like Cognizant Technology Solutions, IBM, Emerson, TATA Power hiring from the University.

This exercise has abled out students in attaining some of the landmark achievements, which are mentioned below, keeping in mind that it is our Founding batch:

Placement Percentage 2014-15 : 96 %
 Employment Partners 2014-15 : 57
 Average Salary : 3.48 LPA

We have some of the biggest names as our placement partners, Shapoorji, Cognizant, Aricent, Siemens, CSC, Amazon, Steria, Mastech, PWC, HCL Tech, Altair etc. CDC also engages in preparing students for various competitive exams and supports their quest for higher education. Our students have been accepted, Boston University, Columbia University, Dublin Business School , University of Canberra etc., to name a few.

It is a proud moment for me to see our students graduating with such high accolades

Mr. Dilip Kumar V
Department of Civil Engineering
Shiv Nadar University

Dear Dilip,

Further to your campus interview with us on 23rd February 2015, we are pleased to offer you an opportunity to be associated with our organization on the following terms and conditions.

1. POSITION

- 1.1 You will be engaged as Intern in the Analytical & Data Services Group.
- 1.2 You will be considered for permanent position in the company after satisfactory completion of your B.Tech degree, internship program and subject to availability of a vacancy at the sole discretion of the management for which a letter of appointment will be issued. Unless letter of regular appointment is issued, you shall be deemed to be considered as an Intern.

2. DURATION OF INTERNSHIP

Your Internship period will start on 12th March 2015 and it will end on 11th May 2015 and could be extended, if required, till successful completion of your B.Tech program.

3. WORK LOCATION

The location of the internship assignment will be one of RMS India offices situated at New Delhi and Noida. You may be transferred/attached to such establishments/departments for the purpose of Internship or thereafter. RMS India reserves right to transfer/utilize your services at any of its offices within India or outside India as per company policy.

4. STIPEND

You will receive a consolidated stipend of Rs. 15,500 (Rupees Fifteen thousand Five Hundred only) per month during the internship period subject to applicable tax deduction at source.

5. Ex-Gratia

You will also be eligible for one time Ex-gratia of INR 16,666 for your internship period if you are successfully converted to a full time employee. It will be paid along with your December 2015 payroll subject to applicable tax deduction at source.

APPOINTMENT LETTER FOR RESEARCH INTERN POSITION

P Sujan Chand Babu & GokulDevunuri
Shiv Nadar University,
Greater Noida.

Jan' 17, 2015

Dear Candidates,

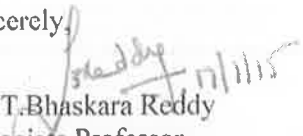

On behalf of the Department of Computer Science & Technology at the Sri Krishnadevaraya University, I am pleased to offer you an Internship position. This appointment is for the period beginning January 26th, 2015, I anticipate that the appointment will continue at least through April 2015. As discussed, you will be collaborating with Dr. T. Bhaskara Reddy (me), working and assisting me on "Image Signal Processing or Image Compression Technique" project.

As we discussed during the interview process, this is a paid academic internship during which you will be expected to provide a minimum of 20 hours per week. You will be awarded an educational stipend of up to Rs.4000 each to defray some of your educational expenses and provided with access to university library & labs.

This internship is viewed by Department of Computer Science & Technology at the Sri Krishnadevaraya University as being an educational opportunity for you, rather than a job. As such, your internship will include training/orientation and focus primarily on learning and developing new skills and gaining a deeper understanding of concepts through hands-on application of the knowledge you learned in class. And you are required to have a glance all my research work and papers as a part of literature survey before joining. At the time of reporting you are required to submit a bonafide certificate from your university

Again, congratulations and we look forward to working with you.

Sincerely,

Dr. T. Bhaskara Reddy
Associate Professor

APPOINTMENT LETTER FOR RESEARCH INTERN POSITION

P Sujan Chand Babu & GokulDevunuri
Shiv Nadar University,
Greater Noida.

Jan' 17, 2015

Dear Candidates,

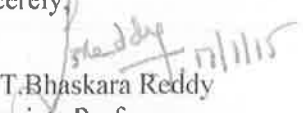

On behalf of the Department of Computer Science & Technology at the Sri Krishnadevaraya University, I am pleased to offer you an Internship position. This appointment is for the period beginning January 26th, 2015, I anticipate that the appointment will continue at least through April 2015. As discussed, you will be collaborating with Dr. T. Bhaskara Reddy (me), working and assisting me on "Image Signal Processing or Image Compression Technique" project.

As we discussed during the interview process, this is a paid academic internship during which you will be expected to provide a minimum of 20 hours per week. You will be awarded an educational stipend of up to Rs.4000 each to defray some of your educational expenses and provided with access to university library & labs.

This internship is viewed by Department of Computer Science & Technology at the Sri Krishnadevaraya University as being an educational opportunity for you, rather than a job. As such, your internship will include training/orientation and focus primarily on learning and developing new skills and gaining a deeper understanding of concepts through hands-on application of the knowledge you learned in class. And you are required to have a glance all my research work and papers as a part of literature survey before joining. At the time of reporting you are required to submit a bonafide certificate from your university

Again, congratulations and we look forward to working with you.

Sincerely,

Dr. T. Bhaskara Reddy
Associate Professor
Department of Computer Science & Technology

Hi Monisha,

We are planning to invite candidates on Sep 29th in Delhi and planning to complete the entire process test and interviews for them on the same day itself so that they need not to travel twice.

Sunday we don't get technical panel and lab supports hence we need to do it on Monday.

Hope this is fine with you

I will share rest of the details with you tomorrow and co-ordinate with you accordingly.

Regards,
Megha

Dear Tanmoy,

Thank you for your mail .

We are in complete agreement with you that we should do what is best for the students and of course honor the relationship we have been building with Aricent for the last few months . To initiate this relationship we aim to develop with you over a long term duration ,we would be making an exception this time and sending our interested and eligible students for the process on Sunday , 28th September in Delhi at your specified location .

However,there are a few requests I would have to make this process more smooth for students participating from Shiv Nadar University for which I will connect up with Megha separately .

Regards,

Monisha Tandon

Subject: RE: Student data from Shiv Nadar University

Dear Monisha,

Thanks for your mail and I respect your opinion. But I have a few points to mention. To me Megha's invitation to SNU students to participate for Aricent's placement drive in BVP Delhi on 28th and 29th Sep 2014, looks quite good.

She has very clearly mentioned the reasons for not having a exclusive drive this time, (Copying from her mail)

- a) Pool is less and we have not got the confirmed list yet
- b) Based on the performance of the students. We do not have any past records to do an exclusive drive.

Now if you are participating in BVP, all your students get a chance to understand where they stand and this clearly adds value to them.

Though you have mentioned that you would like to take care of the logistics, but I think that arrangement of logistics is not the only concern.

I understand that you are having a policy for exclusive drive.

Still I request you to deviate a bit from this policy and let us work collectively to support the deserving students.

So my request to you is to please allow them to sit for the Campus in BVP.

I am also marking this mail to Anubha, Prof. Swarup and Prof.Gopal for their kind reference and consideration please.

Thanks for your support and cooperation,

Thanks & Regds,

Tanmoy

Subject: FW: Student data from Shiv Nadar University

Dear Megha,

The Shiv Nadar University is a philanthropic initiative started by Mr. Shiv Nadar under the Shiv Nadar Foundation. We are very eager and proud to partner with an esteemed organization like yours for day 1 of Core Campus Recruitment for our foundation batch graduating next year.

We have had an overwhelming response to your team's visit to our campus a few days ago and there is genuine excitement in the student and academic community at SNU to host you at our campus for Placements as a Core Recruiter. Though we are a very small batch this year and the next we can assure you of good quality students in all aspects.

Since it is our foundation year of Campus placements our policy does not allow us to participate in a pool activity outside SNU and we would appreciate if you can make this exception for us this time. We would be happy to take care of any logistic support your team may need to make your visit to SNU more comfortable.

Look forward to a long and mutually beneficial association.

Regards, Monisha

Subject: Student data from Shiv Nadar University

Dear Megha,

Great talking to you a while ago! It was also a pleasure hosting you, Tanmoy and Ajay at the Campus the other day. We truly appreciate the time and effort made by you and value your organization as a potential Campus Recruiter for our Foundation Batch.

We would like to extend an opportunity to you to evaluate the entire class of CS and ECE stream and to facilitate the same we have requested the entire Class of 2015 (CS and ECE) to sit for the Pre Placement Talk to be conducted by you. I am sure most of them will definitely be very keen to sit for their first core company which we hope is you!! Let me point out that approximately 40 of them have shown an interest for a core company like yours.

Please find attached the data for the ECE and CSE candidates from the Foundation batch of Shiv Nadar University (as per the eligibility criteria specified by you).

Further would be great if our M.Tech students who are matching your technical specs from the relevant streams of ECE, CSE also can be considered.

Look forward to your confirmation.

Hi Monisha,

Greetings from Steria!

As discussed, since no. of students unplaced are very few, we are fine with Shiv Nadar eligible / interested students visiting our office on 1-Dec around 9.00 AM. Kindly re-confirm if this is okay at your end.

- Please find enclosed our eligibility criteria along with other details w.r.t. Software Engineer Trainee role we are hiring for.
- Enclosing list of mandatory documents students must carry on the day of event.
- Dress Code : Formal dressing mandatory for the students appearing for Steria process. Eligible / Interested students must reach venue on time i.e. by 9:00 AM.
- Request you to share in attached format details of eligible students for our reference.

Please feel free to reach me in case of any queries or clarifications.

Dear Monisha,

This is with reference to the campus selection process held on **6th April 2015** for students of **Btech (Electrical) from Shiv Nadar University**. We, on behalf of TATA Power Delhi Distribution, are pleased to select the following candidates at the position of **Executive Trainee**, at a CTC of **Rs. 4.25 Lacs per annum**:

- **Sheena Sood**
- **Sonakshi Jain**
- **Nishant Singh**

The allowances, benefits & other terms will be as per the company policies as applicable from time to time. On joining the company the Trainee shall be on training for a period of one year.

The detailed appointment letter will be issued at the time of joining. This offer is subject to the successful completion of their **Engineering Course** with minimum 60% marks and medical fitness at the time of joining. The tentative date of joining is **1st July 2015**.

Looking forward to a long- term association with your Institution.

Best Regards

Shiv Nadar University

Dear Dilip,

Further to your campus interview with us on 23rd February 2015, we are pleased to offer you an opportunity to be associated with our organization on the following terms and conditions.

1. POSITION

- 1.1 You will be engaged as Intern in the Analytical & Data Services Group.
- 1.2 You will be considered for permanent position in the company after satisfactory completion of your B.Tech degree, internship program and subject to availability of a vacancy at the sole discretion of the management for which a letter of appointment will be issued. Unless letter of regular appointment is issued, you shall be deemed to be considered as an Intern.

2. DURATION OF INTERNSHIP

Your Internship period will start on 12th March 2015 and it will end on 11th May 2015 and could be extended, if required, till successful completion of your B.Tech program.

3. WORK LOCATION

The location of the internship assignment will be one of RMS India offices situated at New Delhi and Noida. You may be transferred/attached to such establishments/departments for the purpose of Internship or thereafter. RMS India reserves right to transfer/utilize your services at any of its offices within India or outside India as per company policy.

4. STIPEND

You will receive a consolidated stipend of Rs. 15,500 (Rupees Fifteen thousand Five Hundred only) per month during the internship period subject to applicable tax deduction at source.

5. Ex-Gratia

You will also be eligible for one time Ex-gratia of INR 16,666 for your internship period if you are successfully converted to a full time employee. It will be paid along with your December 2015 payroll subject to applicable tax deduction at source.

APPOINTMENT LETTER FOR RESEARCH INTERN POSITION

P Sujan Chand Babu & GokulDevunuri
Shiv Nadar University,
Greater Noida.

Jan' 17, 2015

Dear Candidates,

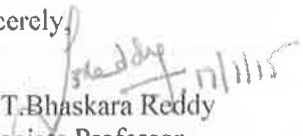

On behalf of the Department of Computer Science & Technology at the Sri Krishnadevaraya University, I am pleased to offer you an Internship position. This appointment is for the period beginning January 26th, 2015, I anticipate that the appointment will continue at least through April 2015. As discussed, you will be collaborating with Dr. T. Bhaskara Reddy (me), working and assisting me on "Image Signal Processing or Image Compression Technique" project.

As we discussed during the interview process, this is a paid academic internship during which you will be expected to provide a minimum of 20 hours per week. You will be awarded an educational stipend of up to Rs.4000 each to defray some of your educational expenses and provided with access to university library & labs.

This internship is viewed by Department of Computer Science & Technology at the Sri Krishnadevaraya University as being an educational opportunity for you, rather than a job. As such, your internship will include training/orientation and focus primarily on learning and developing new skills and gaining a deeper understanding of concepts through hands-on application of the knowledge you learned in class. And you are required to have a glance all my research work and papers as a part of literature survey before joining. At the time of reporting you are required to submit a bonafide certificate from your university

Again, congratulations and we look forward to working with you.

Sincerely,

Dr. T. Bhaskara Reddy
Associate Professor
Department of Computer Science & Technology

24th March 2014

Dear **Gaurank Mishra**,

Sub: Contract for Internship

Further to the discussion we had with you, we are pleased to offer the post of **Student Intern** in our organization as per terms and conditions mentioned hereunder

1. **Period of Contract:** **1st June 2015 to 31st December 2015**
2. **Total Consideration:** **Rs 181200/- per annum.** Taxes as appropriate shall be deducted at source.

Other Terms:

- a) You shall keep confidential all the Information provided to you by the Company in the course of the Contract and shall not divulge the same to any third person without prior written permission from the Company. You shall also sign an NDA which shall be considered as part of the contract for service
- b) You shall not engage in activities similar to that which has not been contemplated in this Contract, during the tenure of the Contract
- c) You shall attend to your allotted assignments and shall be available as per the demands of your job.
- d) Any business expense (travel, accommodation) that you may incur on the job will be reimbursed to you on actuals /as per the company's policies.
- e) You agree that under no circumstances it is intended that you are an employee of the Company. The relationship with you is of a contractual nature and is tenable for the period of contract.
- f) This contract gets terminated on 31st December 2015 unless renewed by the Company.

Thanking you,
Sincerely,
For Altair India

Preeta Bahugune
Sr. Manager-HR

Hi Monisha,

We are planning to invite candidates on Sep 29th in Delhi and planning to complete the entire process test and interviews for them on the same day itself so that they need not to travel twice.

Sunday we don't get technical panel and lab supports hence we need to do it on Monday.

Hope this is fine with you

I will share rest of the details with you tomorrow and co-ordinate with you accordingly.

Regards,
Megha

Dear Tanmoy,

Thank you for your mail .

We are in complete agreement with you that we should do what is best for the students and of course honor the relationship we have been building with Aricent for the last few months . To initiate this relationship we aim to develop with you over a long term duration ,we would be making an exception this time and sending our interested and eligible students for the process on Sunday , 28th September in Delhi at your specified location .

However,there are a few requests I would have to make this process more smooth for students participating from Shiv Nadar University for which I will connect up with Megha separately .

Subject: RE: Student data from Shiv Nadar University

Dear Monisha,

Thanks for your mail and I respect your opinion. But I have a few points to mention. To me Megha's invitation to SNU students to participate for Aricent's placement drive in BVP Delhi on 28th and 29th Sep 2014, looks quite good.

She has very clearly mentioned the reasons for not having an exclusive drive this time, (Copying from her mail)

- a) Pool is less and we have not got the confirmed list yet
- b) Based on the performance of the students. We do not have any past records to do an exclusive drive.

Now if you are participating in BVP, all your students get a chance to understand where they stand and this clearly adds value to them.

Though you have mentioned that you would like to take care of the logistics, but I think that arrangement of logistics is not the only concern.

I understand that you are having a policy for exclusive drive.

Still I request you to deviate a bit from this policy and let us work collectively to support the deserving students.

So my request to you is to please allow them to sit for the Campus in BVP.

I am also marking this mail to Anubha, Prof. Swarup and Prof. Gopal for their kind reference and consideration please.

Thanks for your support and cooperation,

Thanks & Regds,

Tanmoy

Subject: FW: Student data from Shiv Nadar University

Dear Megha,

The Shiv Nadar University is a philanthropic initiative started by Mr. Shiv Nadar under the Shiv Nadar Foundation. We are very eager and proud to partner with an esteemed organization like yours for day 1 of Core Campus Recruitment for our foundation batch graduating next year.

We have had an overwhelming response to your team's visit to our campus a few days ago and there is genuine excitement in the student and academic community at SNU to host you at our campus for Placements as a Core Recruiter. Though we are a very small batch this year and the next we can assure you of good quality students in all aspects.

Since it is our foundation year of Campus placements our policy does not allow us to participate in a pool activity outside SNU and we would appreciate if you can make this exception for us this time. We would be happy to take care of any logistic support your team may need to make your visit to SNU more comfortable.

Look forward to a long and mutually beneficial association.

Regards, Monisha

Subject: Student data from Shiv Nadar University

Dear Megha,

Great talking to you a while ago! It was also a pleasure hosting you , Tanmoy and Ajay at the Campus the other day . We truly appreciate the time and effort made by you and value your organization as a potential Campus Recruiter for our Foundation Batch .

We would like to extend an opportunity to you to evaluate the entire class of CS and ECE stream and to facilitate the same we have requested the entire Class of 2015 (CS and ECE) to sit for the Pre Placement Talk to be conducted by you . I am sure most of them will definitely be very keen to sit for their first core company which we hope is you !! Let me point out that approximately 40 of them have shown an interest for a core company like yours .

Please find attached the data for the ECE and CSE candidates from the Foundation batch of Shiv Nadar University(as per the eligibility criteria specified by you).

Further would be great if our M.Tech students who are matching your technical specs from the relevant streams of ECE,CSE also can be considered .

Look forward to your confirmation.
